PASTOR'S MESSAGE

Dear Friends:

It is no small record for a Church to have existed for forty-five years in New York City, a half block from Broadway and within ten minutes of Times Square. It is doubly significant when we realize that Good Shepherd has maintained such a vital and helpful and aggressive ministry during all these years. During that time, about 1522 people have passed into the membership of the Church. Of the present membership, the following is the record of those who entered Good Shepherd during the various five year periods and who are still with us:

1887-1892.....	5	1907-1912.....	26
1892-1897.....	8	1912-1917.....	42
1897-1902.....	11	1917-1922.....	59
1902-1907.....	15	1922-1927.....	97
		1927-1932.....	137

The past twenty years have witnessed revolutionary changes in the thought and activity of the world. They include the pre-war period, the World War, post-war upheavals, prosperity and depression. Yet, in the face of these changes which have influenced the lives of our people and the character of the neighborhood, Good Shepherd has maintained a splendid record of consistent growth. The following figures which indicate the number of people who joined our Church during each of the five year periods since 1912, illustrate this fact.

1912-1917.....	190	1922-1927.....	171
1917-1922.....	154	1927-1932.....	161

The significant point is that during the past ten years of changing conditions, our Church has averaged about thirty-three new members each year and about the same average over a period of twenty years. Considering that the membership of Good Shepherd has ranged from 400 to 530 during that time, the number of

accessions indicate a good percentage of increase for New York City.

What of the future? We are living in serious times. The economic aspect of the problem has probably forced itself upon us with more urgency. But there are others which are none the less serious for the future. We are living in a time of moral confusion, of religious indifference, of civic helplessness in the face of corruption and lawlessness, of international misunderstanding. There is need for the Church as never before. It began as a fellowship of like-minded souls who believed that in Jesus as the world's Redeemer they had the best answer to the world's ills. The Church lives today, because it offers an organized fellowship through which these same needs may be answered. Christianity must meet the challenge. It is not enough to say that our doctrines are intellectually true. We must be able to show that the living of these doctrines bares moral fruit. The spiritual must increasingly win over the material. Service must win over selfishness. Man must win over the machine. Right must win over might. Truth must win over error.

As we look forward toward the half century mark in the history of Good Shepherd, you and I are the answers to these problems through the Church and in society. I call you to follow the Good Shepherd as He leads us forward in the service of our Church.

"To crowds that throng the city street
Or jostle in the marts of trade;
To carefree youth whose joyous feet
Dance through the world that Thou hast
made;
To masters in the realm of thought
And toilers bent beneath the rod;
To lonely hearts by men forgot;
Be thou to all—the House of God."

CHURCH DIRECTORY AND YEAR BOOK

HISTORICAL NOTES

THE Good Shepherd Presbyterian Church began its existence as a Sunday School, which was organized in October, 1886, by the West Presbyterian Church, in a store at 108 Amsterdam Avenue, and known as Christ Chapel. Rev. J. Lee Mitchell and Rev. W. D. Grant officiated during the year.

In November, 1887, the basement of the present structure was completed. In the same month, the West Presbyterian Church called the Rev. Daniel E. Lorenz, D.D., who was then in his middle year in the Seminary, to take charge of the work. On February 26th of the following year, the first service of Communion was celebrated and seventeen people were received into the church.

February, 1893, witnessed the dedication of the new super-structure, which with the ground and furnishings represented about \$100,000. The Rev. John R. Paxton, D.D., was then pastor of the home church. Up until this time, one hundred and seventy-five people had been received under the leadership of Dr. Lorenz.

During this period, the church had formed an integral part of the West Presbyterian Church, now the West Park Presbyterian Church, and the congregation was carried on the roll of the mother church. Early in 1914, the people petitioned the officers of the West Park Church for permission to organize as a separate congregation. Under the leadership of Rev. Anthony Evans, pastor of the home church, the permission was granted and the members were graciously transferred to the Good Shepherd Church, which was then organized as a separate church by Presbytery. A Board of Elders and of Deacons were elected, and Dr. Lorenz was installed as pastor of the new church on April 24th, 1914.

The Good Shepherd Church still remains in friendly affiliation with the West Park Presbyterian Church, and under the most cordial and generous relationships with the church; the pastor, the Rev. Anthony Evans, D.D., and the officers have continued the free use of our church building and have given a generous yearly grant for congregational purposes.

June 17, 1917, dedication of Vox Humana stop in organ given by Dr. Lorenz in memory of his wife, Mrs. Etta H. Lorenz, who passed away on March 25th, 1917.

November 4th, 1917, dedication of memorial window given by the Ladies Aid Society in memory of Mrs. Lorenz.

In November, 1917, the Rev. Edmund B. Chaffee became associate pastor, resigning after a little over a year of service to enter war work with the Red Cross.

After a long and fruitful ministry of thirty-four years and four months, Dr. Lorenz resigned on February 1st, 1922. He has since given his full time as organizer of religious and educational cruises. He is the author of "The New Mediterranean Traveler," now in its twelfth edition and, "The Round the World Traveler," in its fourth edition.

In April of 1922, the church extended a call to the Rev. F. Raymond Clee.

In 1924, the interior of the church was completely renovated through the subscriptions of the congregation, and with the aid of the financial assistance and direction of Mr. John H. Lawrence, a friend of the church.

1926 and 1927 witnessed the dedication of the Memorial Illuminated Cross in front of the church, the gift of the congregation in memory of the men of the church who engaged in war service.

Also the gift of two pulpit flags from Miss Georgina Richardson and Mr. Thomas Abernethy.

After an active and fruitful pastorate of five years, Mr. Clee resigned in April, 1927, to become the pastor of the Bergen Reformed Church of Jersey City.

In September, 1927, the church extended a call to the Rev. William F. Wefer.

By popular subscription, the front of the church was renovated and a ladies' rest room provided in October, 1927.

Palm Sunday, 1928, witnessed the dedication of the interior Memorial Illuminated Cross with dimmer attachments

on the Cross and main auditorium lights, the gift of Mrs. Arthur Jahr, Mrs. James M. Atchison and Mrs. Robert Armstrong in memory of their parents, Mr. and Mrs. George Green.

In December of 1928, Mr. and Mrs. Thomas Abernethy and Miss Georgina Richardson, presented the Church with an illuminated Bulletin Board.

April, 1929, witnessed the dedication of three pulpit chairs, the gift of Mr. and Mrs. Robert McKennan, in memory of his parents, Mr. and Mrs. John McKennan. At the same time, the Ladies' Aid Society presented two flower stands to match the chairs.

PRAYER

IN the minds of our people, Good Shepherd Church has always been primarily a place for the worship of God. The Sunday School, the mid-week meetings and the social activities have been, in a sense, secondary to the regular services of the Church. In these services, the message from the pulpit is always helpful and the music uplifting; but the approach to the Throne of Grace in prayer more than all else, strengthens us in our spiritual life.

Many of us are now passing through a period of perplexity and apprehension, a time of testing for our faith and loyalty. We feel an urgent need for help to meet life as it comes to us day by day; and in prayer alone can we find the comfort and support that we seek. Moreover, in hours of sudden stress and mental disquiet, it is only needful for us to say, "My Father, my Father," for we know that He understands and will answer the supplication of our hearts.

But in our prayer life we should steadfastly follow the example of Jesus. We know His habit of prayer; that the prayer of thanksgiving was often upon His lips and intercessory prayer as well. We know that He made little of material things but that He bade His disciples ask for those more abiding gifts which relate to the life of the soul: faith, love, trust, duty, unselfishness, courage and self-control and that He taught us to say, "Thy Kingdom come and Thy Will be done on earth, as it is in heaven."

GOOD SHEPHERD PRESBYTERIAN CHURCH
New York City, November 17, 1932

FORTY-FIFTH ANNIVERSARY SERMON

Preached by

REV. WILLIAM F. WEFER

Sunday, November 13, 1932

FORTY-FIVE years ago, today, the first service was conducted in the basement of this Church by Dr. Lorenz, who was then a student in his second year at the Union Theological Seminary. According to his own words, the work was not begun under the most brilliant auspices. There were only eighteen adults present, together with a considerable number of troublesome children. For the past week, I have been trying to turn back the hand of Time and to live again in the world of the Elegant Eighties. To know what was happening in 1887, to understand what those eighteen people were thinking about, and to appreciate how they lived. I know of no more interesting way to accomplish this end, than the experience which I have had, of reading through the files of the daily newspapers which were current in New York City at that time. The year 1887 was a world of horse cars, horse cabs, and the steam elevated; of gas, bicycles and saloons; of bustles, red flannels and picture hats; of organ grinders, clam chowder venders and roller skating. Grover Cleveland was President of the United States and Abram Hewitt was the Mayor of New York. The city had a population of one million, two hundred thousand compared with almost seven million at the present time. The Statue of Liberty had been presented to America by France during the preceding year. The Brooklyn Bridge had been erected less than ten years before. The first Broadway horse car which supplanted the horse bus, ran from 57th Street to Bowling Green in 1885. It was an age of slow locomotion.

The eighteen people who gathered for the first Good Shepherd service were suburban residents. The city proper ended at 59th Street. From 59th Street north, what is now Broadway was known as the Boulevard, an unpaved dirt road, "full of mud holes in wet weather and thick with clouds of dust in dry weather." In 1886 the first ministry of Good Shepherd began in a store at 108 Tenth Ave., established as a mission by the West Presbyterian Church on Forty-second Street and known as Christ Chapel. Two years later, the present basement on 66th Street was erected by the West Church. With the exception of a store, the Church was the only building on the block between Broadway and Amsterdam.

In those days, the district north of 59th Street was largely open country, with fields and vacant lots. Truck farms and gardens were everywhere. In many of the vacant lots, Irish squatters had erected rude shanties without payment of any rent and lived amid a varied assortment of dogs, chickens, cows and goats. It was for this reason that we read that, "when a policeman on lower New York made the mistake of arresting a saloon keeper who happened to be a brother-in-law of the district leader, he was disciplined by being banished to a patrol among the goats or the district north of 59th Street." The northern limits of the present mid-town area of the city was then an open country, far from the bustle of traffic containing "many inland water ways, creeks and good sized swimming holes."

What had the eighteen people been

thinking about during the preceding week? What were the topics of the day concerning the nation and the city? Nationally, there had occurred an event which had shaken the labor movement of the country to its foundations. On May 4th, of the preceding year, an anarchist protest meeting had been held in Haymarket Square, Chicago. At the height of the speeches, the police charged the crowd. During the confusion, a bomb was thrown and when the smoke had cleared away, seven policemen were dead and fifty-nine injured. While there was no evidence to indicate who had thrown the bomb, seven of the anarchist leaders of the city were arrested and charged with the crime. The trial became the topic of the nation. Finally, four were sentenced to die, one committed suicide and two were sentenced to life imprisonment. The hanging of the four men occurred during the week previous to the opening service of Good Shepherd. Speculation as to the event ran through the nation. An anarchist general uprising was threatened. The papers were filled with the news. The result was a public revulsion against the laboring interests and the breaking up of the Knights of Labor which, at that time, was the strongest labor organization in the country. During this same week, there had also occurred a city election in which the Democratic Party had won a sweeping victory. The significant difference between that election and the one through which we have just passed, was the fact that the Democrats with the aid of an aroused independent vote, had won out against a corrupt Republican machine.

Facing as we do, the probable appearance of legalized beer, it is well to ponder over an editorial which appeared in the New York World about a week after that election in 1887. It was occasioned

by the fact that the District Attorney who was elected, was the choice of a political leader named Barney O'Rourke. The editorial reads, "It is an interesting and curious fact, that three or four days after the election, six indictments found against Barney O'Rourke for attempting to bribe and intimidate voters, were dismissed in open court. Barney is a liquor dealer and a good worker and knows well, on which side his bread is buttered." Those were the days of wholesale repeaters and floaters. Those were the days when the political heelers handed out marked ballots at the very doors of the voting places and then watched until they were deposited in the ballot box. One wonders with the recent intimidation and difficulties put in the way of McKee voters, whether we have progressed very far politically. Indeed, a comparison between 1887 and 1932, indicates, that while fashions change, certain problems seem to be found in each generation.

Today, we have the problem of gunmen; then, they had the neighborhood gangs. Today, we have the problem of the speakeasy; then, they had the blind-pigs. Today, we have the problem of reckless auto drivers; then, they had the bicycle "scorchers" who crowded the main thoroughfares on Sundays and holidays, from curb to curb. Today, we have the problem of the criminal taxi driver; then, they had the "night-hawk" cab drivers who fleeced their patrons. Today, we have the problem of war veteran drains on the treasury; then, they had still living about nine hundred thousand Civil War veterans who were receiving \$138,000,000. And then, in a more humorous vein, they also had the problem of women's dress. One article exclaims with horror, "Are our women suffering from premature decay? We are told that women swallow sulphur; rub brimstone and

glycerine on their faces, hold up their wrinkled chins with velvet and pour perfume in their ears. Imagine taking hold of such a putrid mass of combustibles and grease?" So the world of 1887 moved on with its problems much the same as our own.

And so did Christ Chapel which began on that Sunday in November with eighteen people present and a number of troublesome children. Under the splendid leadership and wise direction of Dr. Lorenz, the work continued to grow. Up until the year 1893, 175 people had been received into Church membership. And it was during that year, that the West Presbyterian Church convinced that there was a promising field for a new Church, erected the present structure, which represented, with the ground and furnishings, a cost of \$100,000. With the impetus of the new building and splendid equipment, Good Shepherd took her place with the other Churches of the city, developing a commendable ministry of varied and aggressive service.

In the year 1911, the West Church became consolidated with the Park Presbyterian Church at 86th Street and Amsterdam Avenue, during the ministry of Dr. Evans, who had succeeded Dr. Paxton. Good Shepherd continued as a mission Church of the newly formed West-Park Church. Then in 1914, the Good Shepherd Church, under the leadership of Dr. Lorenz, feeling that the fact of its mission status was preventing a larger growth petitioned the West-Park Church for organization as a separate congregation, which was accomplished in that year. Since that time, the two churches have continued the cordial relationship, while the West-Park Church under the leadership of Dr. Evans, has given us the free use of our church building and also a generous yearly grant for congregational

purposes. In 1922, Dr. Lorenz resigned, after a long and fruitful ministry of more than thirty-four years. Truly he was the Founder of Good Shepherd and the Father of the flock. His exceptional ministry, his radiant Christian personality, his devotion to the work of the pastor and the wise foundations which he laid have become woven into the very warp and woof of the life of our Church. With him ends, what might be called our ancient history. The coming of Dr. Clee in 1922; his resignation in 1927 and my own call in that year belong to the history of the present. Of this, we shall hear more in detail on Thursday evening.

One cannot read the history of the past forty-five years, without coming to some general observations and conclusions. I list them briefly. In the first place, Good Shepherd has always been a difficult parish. I do not mean by that any reflection on the people but rather on the character of the surroundings. The district has always been largely Roman Catholic. The immediate neighborhood from which the Church could draw has always been a restricted one, largely between Broadway and Amsterdam and for five or six blocks North and South. The people who made up our membership have always been almost wholly of the working class, who were never blessed with an abundance of this world's goods. And it has been out of the very difficulty of the field that our Church has been strengthened and preserved. In the second place, Good Shepherd has always been a Church for the common people and of the common people and by the common people. Beginning with Dr. Lorenz, each minister has tried to be a real pastor to the flock, bringing the fellowship and kindly message of the Good Shepherd into the homes of want and distress and sorrow.

It is significant, that during the forty-

five years of varied preaching, there have never been any differences concerning doctrine or theology. The message of Christianity was presented in a vital and practical manner under the inspiration of Almighty God and by the merits of the Cross of Christ. Thirdly, Good Shepherd has always given evidence of the fine spirit of loyal and faithful leadership of the pew. As we meet, this morning, we are in the midst of that unseen group of witnesses by whose sacrificial labors in the past, we are able to carry on, today. Many of them were untrained, many of them were unlettered and yet their sincere and faithful service has been richly blessed to the strengthening of God's House. In this connection, it is fitting to mention the names of two of our leaders whose eighteenth anniversary as Elders of our Church, occur this year. I refer to Dr. Baird and Mr. McKennan. There is a unanimous conviction among us, that, in a most unusual manner, their lives have been writ large in the history of our Church, covering the pastorates of the three ministers. And one, paraphrasing the 32nd verse of the 11th chapter of Hebrews, might add, "And what shall I more say, for the time will fail me if I tell of—and here could be mentioned

the names of past relatives and friends, the members of our Church — who through faith labored here and these all, having had witness born to them through their faith, gave the promise of a better Church to us."

And now, what of the future? There is a greater need for Good Shepherd in this mid-town area than ever before. We are passing through a period of testing as, I think, Good Shepherd has never experienced. But the foundations of the past were laid well. His Spirit is among us and we are answering the test and still accepting the challenge.

Lead on, O King Eternal,
The day of march has come,
Henceforth in fields of conquest
Thy tents shall be our home.
Thro' days of preparation
Thy grace has made us strong,
And now, O King Eternal,
We lift our battle song.

Lead on, O King Eternal,
We follow, not with fears;
For gladness breaks like morning
Where 'ere Thy face appears,
Thy cross is lifted o'er us;
We journey in its light;
The crown awaits the conquest
Lead on, O God of Might.

GOOD SHEPHERD PRESBYTERIAN CHURCH,
NEW YORK, N. Y.

Dear Friends:

The Presbyterian Church of the United States of America, through its Moderator, extends to you greetings and congratulations on this Forty-fifth Anniversary of the organization of your Church.

For almost half a century you have been preaching, teaching and living the glorious Gospel of Christ. You have done well in the past. Plan, pray and work for greater achievements in the years out ahead.

Read Philippians 3:12-14.

Proceed with caution; go forward with courageous faith and sacrificial living.

"Sure I must fight if I would reign;
Increase my courage, Lord.
I'll bear the cross, endure the pain,
Supported by Thy word."

Sincerely yours,

Message from the

REV. ANTHONY H. EVANS, D.D.

Minister

WEST-PARK PRESBYTERIAN CHURCH

*To the Pastor and Congregation of the
Good Shepherd Presbyterian Church*

On behalf of the West-Park Presbyterian Church, I bear to you affectionate greetings and congratulations in connection with your Forty-fifth Anniversary. Under inspiring leadership from the beginning, you have been united and consecrated in spirit and so have done effective work and achieved a worthy

place among the Churches of the city. We are proud of the record you have made and are happy to have been vitally associated with you in your career. We wish you God-speed in continuing to preach the Gospel, to develop the spiritual life and to serve the community and the world-wide cause of our Lord and Saviour. "Let us not be weary in well doing: for in due season we shall reap if we faint not."

ORGANIZATION REPORTS

LADIES AID SOCIETY

THROUGHOUT the past year, the Ladies Aid Society has maintained its good record of helpful service and cooperation in the work of the Church.

As usual, a large part of the activities has been connected with the preparation of Church dinners. We served the Annual Men's Dinner, the 45th Anniversary Dinner, the dinner for the Canvass Visitors and the Congregational Dinner, tonight. We have every reason to believe that we have upheld the record of past years in the dinners which we have served.

Again, this year, we were able to give Mr. Wefer \$50.00 for the Church expenses which could not be met by the Church treasury. Last year, the money went toward the expenses of a student assistant. This year, the money was used to aid the Week Day School and to purchase music for the choir.

We have also continued our practice of meeting our missionary apportionment in full. We have the honored record among the churches in Presbytery, of being among the first to send in the money and also, of being able to raise what we have been asked. In these days of decreasing funds for missions, we take pride in our record.

Besides the usual monthly social meetings, we have also had a successful Bunco Party and on Thursday evening, March 30th, we presented our fourth annual entertainment—a play entitled, "The Rag-Carpet Bee."

The work of the year gave evidence of a fine spirit of loyalty on the part of our ladies. We take this opportunity of expressing our appreciation of their efforts and we pledge our continued loyalty and service as a Society, for Good Shepherd.

WOMAN'S MISSIONARY SOCIETY

For a number of years, the woman's missionary activities of our Church have been a part of the program of the Ladies' Aid Society. This year, we decided to form a separate group which would place their major emphasis on missionary themes and projects.

The group now meets monthly, on the afternoon of the second Thursday, and they have thus far had three meetings. Each month, the missionary needs of a different foreign country and a different group in our own land, are presented. On one occasion, there was exhibited a number of curios from Africa which had been secured from the Board of Foreign Missions. At the present time, a part of the program is given over to the reading of the book, "The Young Revolutionist," by the well known author of "The Good Earth," Pearl Buck.

We welcome any of our ladies who may desire to spend an interesting and instructive afternoon, to meet with us.

MRS. HOWARD MILLS
President

MEN'S ACTIVITIES

While we do not have an organized group of the men, there are a number of activities which they sponsor as part of the Church program.

The annual Men's service was held on Sunday evening, November 20th as a part of our Forty-fifth Anniversary program. The speaker was Mr. Charles O. Wright, Executive Secretary of the West Side Y. M. C. A. The special music of the evening was presented by the Y. M. C. A. Quartet.

The outstanding men's event of the year is the occasion of the annual dinner which was held, this year, on Thursday,

February 2nd. We were particularly fortunate in having two speakers who gave splendid addresses. Mr. Herbert Evans, associated with the Student Religious Department of Columbia University, told of the work of his department, as a branch of the Church in our colleges and brought to us the challenge of living as we believe, in our homes, in order that our children may be influenced to hold to their Christian training while they are in college. The second speaker, the Rev. Henry Leiper, Secretary from the Federal Council of Churches, told of the conditions of the Protestant churches in Europe and related many inspiring examples of inter-denominational cooperation.

As usual, the men had charge of the Every Member Financial Canvass on the last Sunday in February. They also sponsored three of the booths in the Bazaar.

Good Shepherd is a man's church. We invite you to come to the morning service at 11 o'clock and become acquainted.

THE ACES

This is the fourth year of the "Aces," our Good Shepherd young men's club and it is still going strong! Our membership consists of Edward Kirsten, Wm. Kirkwood, Patrick Clancy, Fred Wynne, Patrick Hickey, Richard Rafferty, Edward Barry, John Peloso, Howard Berglund, Oscar Berglund and Larry Doyle.

The major emphasis for the year has been basketball. At the beginning of the year, we elected new officers who are: President, Oscar Berglund; Treasurer, Wm. Kirkwood and Manager, Edward Kirsten.

During the year, we participated in various Church activities. We sponsored the baseball booth at the Bazaar. Last May we presented a play, entitled "Win-

ning an Heiress." Six of our members had parts in the annual Dramatic Club play, entitled, "They All Want Something." This year, we collaborated with the Kays in presenting a three act comedy entitled, "What Do You Think?"

Young men of the congregation, eighteen years or over, are cordially welcomed to our club. We are looking forward to another successful year.

OSCAR BERGLUND
President

THE KAYS

Our club began the year with an election of officers which resulted in the following: President, Elizabeth Kirsten; Secretary, Gladys Carver; Treasurer, Lulu Raises; Coach, Oscar Berglund.

Throughout the year, we have maintained our helpful aid toward the program of the Church. For many years, it has been customary for our group to take charge of the Mother's Day evening service. This year, we presented a program entitled, "The Age-Old Dream." We also had charge of the jewelry booth at the Bazaar. At Christmas, we presented the Church with \$10.00. A number of our members had parts in the Dramatic Club

play and we also joined with the Aces, in presenting the comedy, "What Do You Think?"

We extend a cordial invitation to any of the young women of the Church to join our club and to help us in the endeavor to keep the Kays club the entertaining organization it has always been. With more members we shall be in a better position to have good basketball practices and to arrange interesting games with other Church clubs.

ELIZABETH KIRSTEN
President

TUXIS CLUB

A favorable report is able to be made for the Tuxis club for the current season. The following are the members: Ralph Ciccone, Robert Abernethy, George Abernethy, Kenneth Kroos, Vincent Peloso, Joseph Valanzano, Joseph Nasi and John McPherson.

The activities for the year consisted of basketball, handball and boxing. The matches in basketball resulted in ten victories, eight losses and one tie. The tie game was the big surprise. We have also aided in the Family Night entertainment and in the Christmas play.

The group is made up of senior boys and we extend a hearty welcome to anyone who would like to share in our activities.

WM. KIRKWOOD
Leader

THE ROVERS

The senior girls group, formerly known as the Girl Pioneers, but now changed to the Rovers, were unfortunately prevented from having their usual club activities, owing to the fact that they had no leader. But now with the coming of Mrs. John May, as their leader, they are making up for lost time and we anticipate a very promising year, under her direction.
